***Allowable Subject Matter***

Claims 9-16 are allowed.

The following is an examiner's statement of reasons for allowance:

The prior art of record fails to teach or render obvious a substrate treatment method for treating a substrate with a liquid while rotating the substrate including five rotation processes which are performed using first clamping members having first and second abutment portions and second clamping members having third abutment portions which are selectively brought into abutment against the substrate as recited in Claim 9, wherein the first rotation process uses the first abutment portions, the second rotation process uses first and third abutment portions, the third rotation process uses the third abutment portions, the fourth rotation process uses the second and third abutment portions, the fifth rotation process uses the second abutment portions.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

***Conclusion***

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Roberts Culbert whose telephone number is (571) 272-1433. The examiner can normally be reached on Monday-Friday (8:30-5:00).
